SCENE IN THE TROPICS

Dennis Rodman beefs about photos at Morton's

Catalina Hotel & Beach Club's co-owner, **Nathan Lieberman** held a screening Wednesday night at the Catalina for *Cabana Boys*, a not-as-yet picked up reality TV show parody following the amusing goings-on of the pool staff at **The Surfcomber Hotel**. The, uh, brainchild of Miami Beach natives **Adrian Baschuk** (war correspondent formerly of WPLG, Current and CNN), **Jorge Moreno** (Latin Grammy winner) and Lieberman, the trio, collectively known as Beach Pictures, has partnered with Hollywood vet **Barry Rosen** (*Highlander: The Series*, *Police Academy: The Series*) for the project.

Dennis Rodman and a posse of nine had dinner at **Morton's** in North Miami Monday night. No pictures, said the not-so-publicity-shy former NBA star, who, says our source, is a frequent diner at the restaurant.

Speaking of former basketball players, Miami Heat alum **Rony Seikaly**, a partner in **Mokai** and **Wall** at the **W South Beach**, has switched gears from the court to the turntables as DJ and now producer. In fact, Seikaly has just signed with Subliminal Records, the electronic/house label founded by legendary DJ/producer **Erik Morillo**. Says his rep, Seikaly will be releasing a track every four to five weeks. His debut single, *Come With Me*, is out now.

A private cocktail party celebrating watch company TAG Heuer's 150th anniversary and the Miami leg of its Odyssey of Pioneers tour next Tuesday at **The Temple House** on South Beach is said to feature appearances by **Carlos Gomez** (*The Glades*), **Gabrielle Anwar** (*Burn Notice*), **Jean-Christophe Babin** (president & CEO of TAG Heuer), **Jeffrey Donovan** (*Burn Notice*), **Kari Whitman** (interior designer, television personality), **Michelle Hurd** (*The Glades*) and the legendary **Olivia Newton-John**.

Anwar, in the meantime, was seen having lunch with her beau, **Forge** owner **Shareef Malnik**, at **Fratelli Lyon** Tuesday afternoon.

Congrats to Miami chef and artist **Steve Potovsky**, who won first place in the Red Bull Art of Can Dallas Exhibition. In winning, Potovsky wins an all-expense-paid trip to Art Basel in Switzerland. Potovsky visited the Red Bull Art of Can when it took place in Miami, and was so impressed with it that he was motivated to create a work of his own.

"My inspiration comes from the iconic Red Bull can with its chrome-like appearance that has always reminded me of robots, from which I created a robot dog," he said.
